Mr.
MOGENS KIRKEBY
ISCA President

Dear Mr. President:

According to the statutes of ISCA, I would like to nominate Ms. LILIANA ORTIZ DE LA CRUZ for the next term as a member of the ISCA Executive Committee. Ms. Ortiz De La Cruz is already a member of this Committee and her Colombian identification number is 31'165.382 (Palmira).

Ms. Ortiz De La Cruz has been doing a great job promoting ISCA and its philosophy in Colombia and she has also been successful by expanding relations and partnership between different entities in Colombia and Latin America. Her experience in the field of sport for all is an important issue in order to expand ISCA programs in her region. We believe that her skills are of great support to continue the development of the physical movement culture.

Based on the above aspects, Ms. Ortiz De La Cruz is a great candidate to remain on the ISCA Executive Committee.

I'm positive that Ms. Ortiz De La Cruz will continue to provide a vision of the reality of the American continent, allowing ISCA to strengthen its essence of global organization, supporting policies and general promotion of physical and sports activity programs.

Thank you in advance for your interest in this matter.

Kind regards

OSCAR MANRIQUE VEGA
