

***Describe how the ISCA member organisation, which the candidate is related to, can support the candidate's work in the ISCA Executive Committee.***

***Mogens Kirkeby, Candidate to President***

DGI Denmark is one of the founding members of ISCA and has since the first initiative been very supportive of the development of ISCA. Over the years DGI has contributed strongly with support, human and financial resources – in general DGI has been very much involved and a very active member.

For several years DGI has provided 110.000 € in annual support. The latest four years in addition DGI and ISCA have had a bilateral agreement covering selected topics, such as Leadership development, European Sport politics, Sport and Health and Senior sport. The agreement also includes a financial impact of 180.000 € annually.

My political relation to DGI is through an active membership of DGI Copenhagen Regional Board and membership of the DGI Sport Political Forum.

It is my clear impression that the support from DGI to ISCA is significant and important.
