Background

INTERNATIONAL SPORT AND CULTURE ASSOCIATION (ISCA) is an international association with at present 125 members organisations, totaling some 40 million Individual members from five continents. ISCA is open to all Interested and relevant, primarily non-governmental organisations within youth, sport and culture.

The first General Assembly of ISCA was held in Copenhagen in February 1995. Since then, ISCA has come a long way and experienced a fast-growing development of both member organisations and activities.

The main objectives of ISCA are:

- To promote an understanding between people across borders through sport and cultural activities
- To emphasize the view of sport as a bearer of local, regional or national cultural identity, thereby placing it at the centre of International exchange of ideas, opinions and cultural expressions
- To encourage the broadest possible participation in sport and cultural activities among all affiliated members

At present, ISCA has a Continental Committee in Asia, Latin America, North America and Europe as well as thematic networks for health, youth, environment, seniors, gymnastics, children, badminton and facilities.

ISCA's mission is to build international relations between people, cultures, organizations and sectors. Seeing sport as a culture of movement, we develop opportunities for learning, inspiration and action to induce social change.

ISCA delivers services, advice and projects to its members and stakeholders and cooperates with national ministries, international institutions and organizations, such as World Health Organisation, UNESCO, the European Commission and the Council of Europe.

Statement of Financial Development

ISCA has been able to develop its resources significantly since the foundation in 1995. From a starting point in the first years (1995-2000) with very limited financial budgets and human resources, the resources increased (2001-2003) to a level of 350,000 €, due to general support from the Ministry of Culture of Denmark and the ISCA founding member, Danish Gymnastics and Sports Associations. With this increased level of the general organisational budget, ISCA could apply for externally supported projects, where there is a demand for own co-financing, typically between 20-50 % of the project budget. In other words, ISCA invests resources from the general budget for projects with co-financing requirements. This has led to an increase of the total budget to around one and a half million Euros today.

Besides the increase of budget, the number of financial partners/donors has increased. In 2012, ISCA's resources came from nine different financial partners/donors, representing both private and public partners.

Project implementation, management and income are on project specific timelines more than fiscal year schedule. To comply with project demands we upgrade and adjust secretariat and human resource costs on an as-needed basis.

The equity of the organization may at times be negative due to variations and payments related to our activities.

The result for 2012 amounts to a loss of 51.830 Euro. This is mainly a result of the decision to upgrade of the organization in preparation of the NowWeMove and MOVE Week campaign, to be implemented in 2013. The MOVE Week has been awarded an EU grant of 1 million Euros for 2013.

ISCA is financing project expenditures throughout the implementation of the project. Financial support (grants) are partly paid after closing the project accounts; mid-project deficits are covered by bank credit.

The following externally financed projects are running into 2013: MOVE, GGGS, European Voluntary Service, Training of Trainers and ACTIVE network. All other projects have ended and accounts are closed or closing.

EuroVolNet project (supported by European Commission Sport Unit) and SPORTVISION2012 conference were not budgeted for.

We foresee a growing turnover in the coming years with budgets based on upgrade and adjustments of activity and administrative costs, and with a view to consolidate a reasonable equity.

Management's statement on the Annual Report

The Executive and Supervisory Boards have considered and adopted the Annual Report of ISCA for the financial year 2012.

The Annual Report was prepared in accordance with the recognition and measurement provisions of the Danish Financial Statements Act and the Executive Order nr. 1701 of 21. December 2010, issued by the Ministry of Cultural Affairs. We consider the accounting policies applied appropriate and the estimates made reasonable. Furthermore, we consider the overall annual report representation true and fair. Therefore, in our opinion, the Annual Report gives a true and fair view of the financial position and the results of the Association's operations.

Accounting Policies

Basis of Preparation

The Annual Report of ISCA for 2012 has been prepared in accordance with the recognition and measurement provisions of the Danish Financial Statements Act and the Executive Order nr. 1701 of 21. December 2010, issued by the Ministry of Cultural Affairs.

Recognition and measurement

Revenues are recognised in the income statement as earned. Moreover, all expenses incurred to achieve the earnings for the year are recognised in the income statement.

Assets are recognised in the balance sheet when it is probable that future economic benefits attributable to the asset will flow to the Association, and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when it is probable that future economic benefits will flow out of the Association, and the value of the liability can be measured reliably.

Income Statement

Revenues

Revenues are recognised in the income statement in the year they pertain to.

Expenses

Expenses are recognised in the income statement in the year they pertain to.

Receivables

Receivables are measured in the balance sheet at the lower of amortised cost and net realisable value, which corresponds to nominal value less provisions for bad debts.

Deferred income

Deferred income comprises payments received in respect of income in subsequent years.

Independent auditors' report

To the General Assembly

We have audited the financial statements of ISCA for the financial year 1 January – 31 December 2012. The financial statements comprise accounting policies, income statement, balance sheet and notes. The financial statements are prepared in accordance with the recognition and measurement provisions of the Danish Financial Statements Act and the Executive Order nr. 1701 of 21. December 2010, issued by the Ministry of Cultural Affairs.

Management's responsibility for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the recognition and measurement provisions of the Danish Financial Statements Act and the Executive Order nr. 1701 of 21. December 2010, issued by the Ministry of Cultural Affairs, and for such internal control that Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' responsibility and basis of opinion

Our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing and additional requirements under Danish audit regulation and the Executive Order nr. 1701 of 21. December 2010, issued by the Ministry of Cultural Affairs. This requires that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Association's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by Management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Our audit has not resulted in any qualification.

Opinion

In our opinion, the financial statements give a true and fair view of the Association's financial position at 31 December 2012 and of the results of its operations for the financial year 1 January – 31 December 2012 in accordance with the recognition and measurement provisions of the Danish Financial Statements Act and the Executive Order nr. 1701 of 21. December 2010, issued by the Ministry of Cultural Affairs.

Emphasis of matters regarding other items

As part of the Financial Statements ISCA has disclosed the budgeted profit and Loss accounts for 2012 as approved by the Board of Directors. These budgeted figures are not subject to our audit obligations.
