Mayor's Message

It is my pleasure to extend greetings to those attending the 2018 World Student Games. For those of you visiting Winnipeg for the first time, I hope that you will take advantage of all that we have to offer – from the Journey to Churchill Polar Bear Exhibit, to the spectacular Canadian Museum of Human Rights, to the vibrant Exchange District and the Forks National Historic Site, a meeting place in our city for thousands of years.

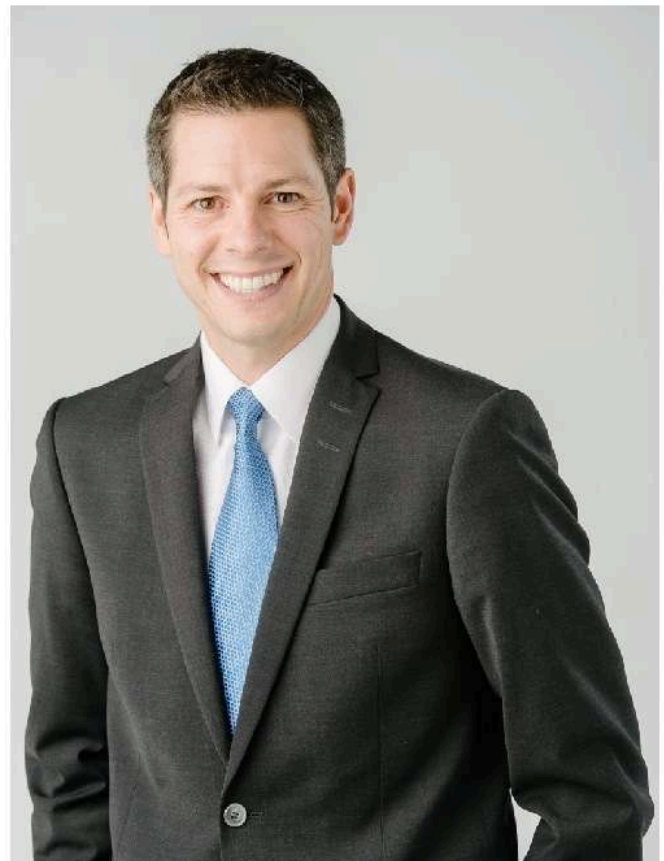

For participants, coaches, officials, fans, friends and family, this is a first-of-its-kind event and with the goal of bringing together students from different countries in a spirit of friendship it is sure to be a special experience for everyone involved. By encouraging all students to excel through a wide variety of sports and extra-curricular activities the World Student Games are helping to break down barriers. The mission of the Games to bridge nations and create greater understanding is admirable.

On behalf of the City of Winnipeg and my City Council colleagues, I want to recognize the hard work of the organizers who have made the Games possible. I also want to thank the families and friends, mentors, coaches, and teachers whose efforts have helped the students involved to strive towards a harmonious, vibrant, multicultural and inclusive society.

Warmly,
